## About Company

Naraz Imports was founded in 2016 with a vision to bring Canadian consumers unique, natural, and authentic Eastern European food products.

Over the years we have build deep relationships with customers and suppliers around the world and currently sell our food products to over 1000 stores across Canada.

Today, Naraz Imports has expanded its import and export services into brokering other commodities such as gasoil, jet fuel, bitumen, iron materials, car parts and oils, and more.

Year after year, we are continuing to expand our range of products and services while providing top class partnership to our clients.

## Our Mission

Naraz Imports team is on a mission to provide its partners all over the world with a window into the growing Canadian market and ample business opportunities.

We strongly believe in the importance of providing only top quality products and adherence to strict quality and certification guidelines.

We understand that building and maintaining strong relationships is key to our success, and we work hard to ensure that our clients are always satisfied with the products and service we provide.

We are grateful for the opportunity to serve our customers and look forward to helping you distribute your products.
